

# Afternoon with the Legislators

Lawrence-Douglas County League's annual Afternoon with the Legislators was held on December 1st at the home of Dick and Sue Himes. Douglas County legislators Barbara Ballard, Paul Davis, Marci Francisco, Tom Holland, Howard Pine, and Tom Sloan attended, as well as at least 35 League members. There was lively discussion, particularly of alternative energy and tuition payments for the children of illegal immigrants and it was obvious that the Lawrence legislators are a group that works comfortably together. Thank you to Sue for hosting this most special event. *(Photos courtesy of Arla Jones.)*
